Dedication
to Our Parents

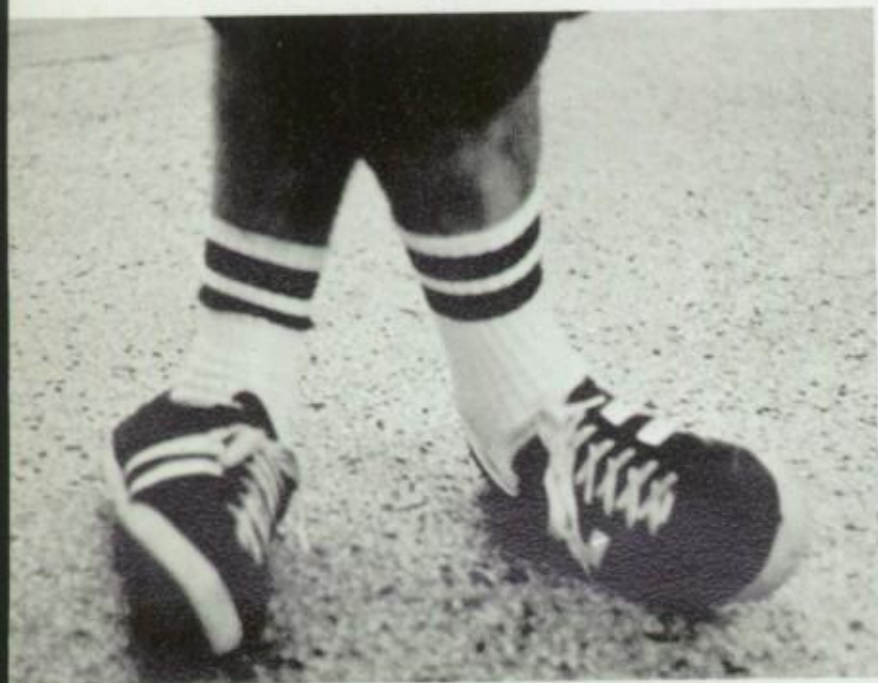

Sometimes
 Not often enough,
 We reflect upon the good things,
 And those thoughts always center
 around those we love.
 And I Think about those people
 Who mean so much to me.
 And who for so many years have made
 me,
 So very happy.
 And I count the times
 I have forgotten to say
 Thank you . . .
 And just how much
 I really love them.

Days We Were One

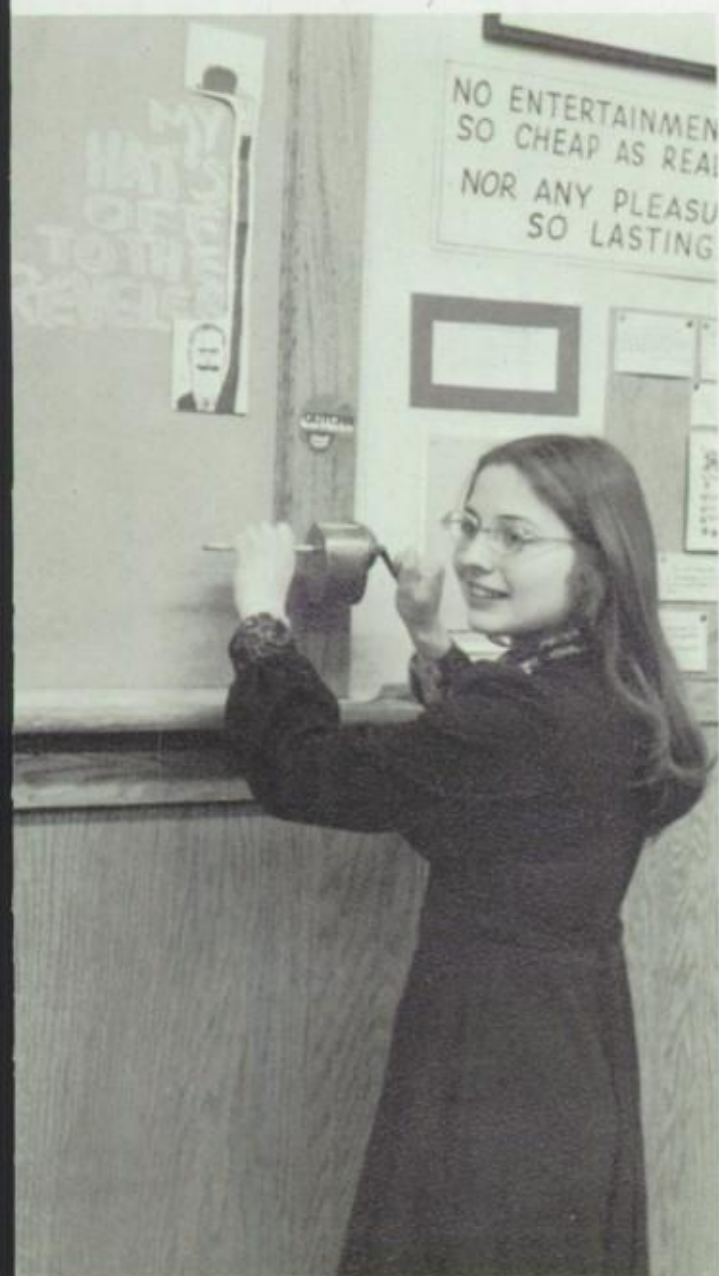

Never a day goes by . . . that we don't find enjoyment in one another. We share the knowledge of our teachers, and the excitement of athletic competition. Together we encounter and solve such common problems as deciding whether to have the a la carte or the complete lunch, or perhaps solving something much more complicated as trying to get the Board to okay our dress code revisions or senior lounge. We think back and laugh about the times we forgot to study for that Geometry test and still passed it with flying colors, But the understanding and friendship gave these moments their meaning.

Making the Most

of School Life

Everyday brings us something new, new experiences, new friends, old acquaintances and yesterday's memories. As we embark upon these new endeavors we meet them with an eagerness to learn because these years happen only once and go by so swiftly. We must make the most of our school life for these are the days we will remember.

Accomplishment With Determination

At MHS . . . a step forward for each large or small accomplishment is filled with hard work and determination. The simple helping out at a car wash, listening in chemistry class, or thinking

something out adds to each person's personal insight. It is this determination and hard work that makes us what we are today and what we will be tomorrow.

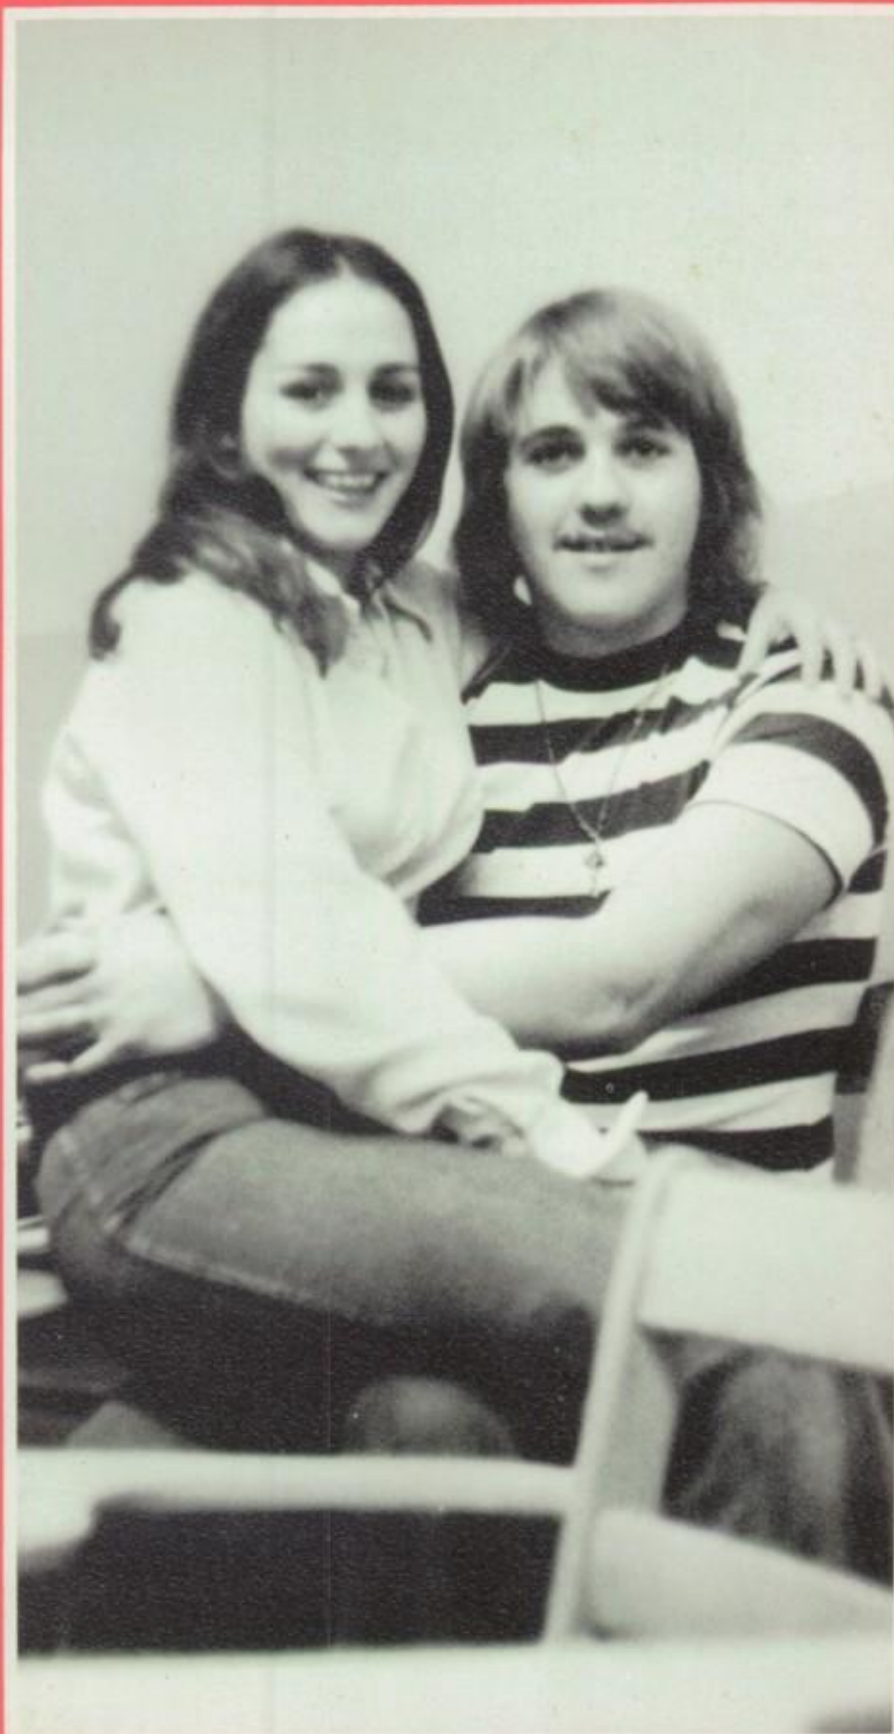

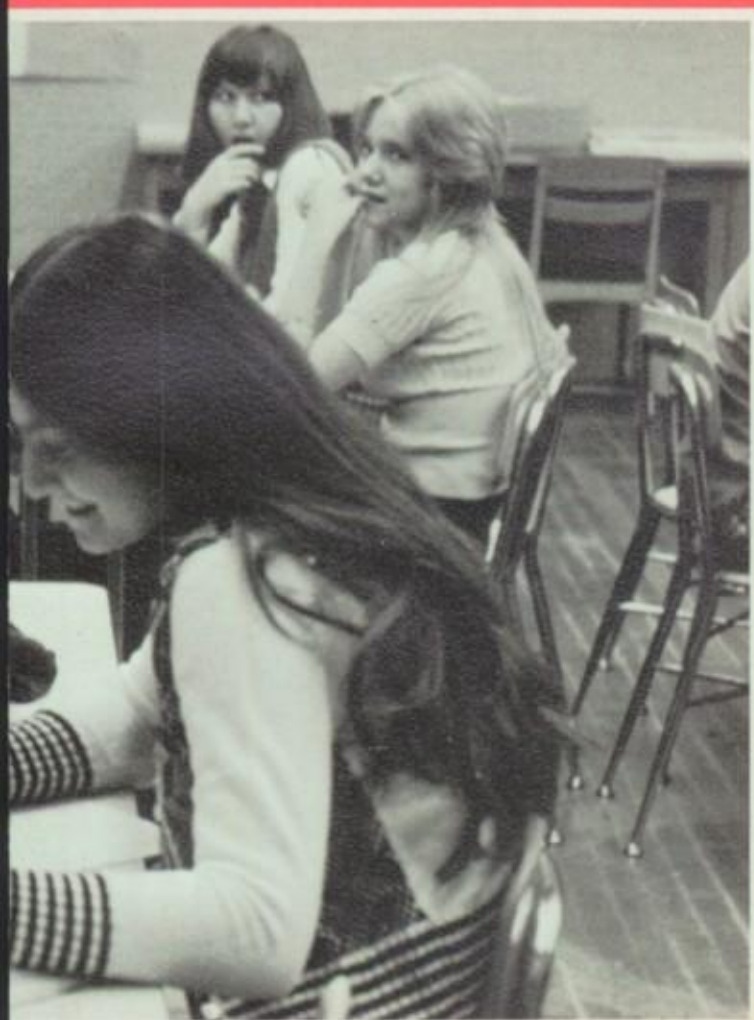

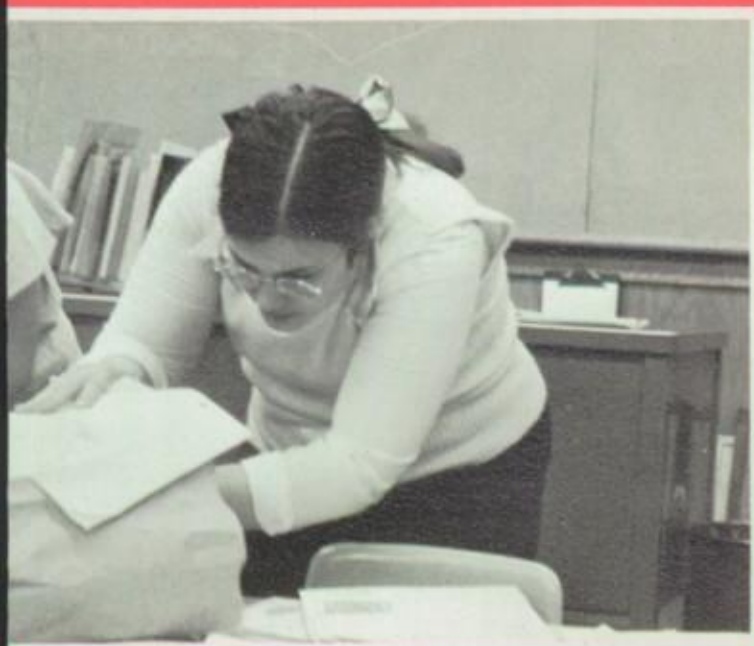

People at Memorial started out with different hopes and dreams, but come together in a unity for the purpose of learning. Students varying from liberals to conservatives, devote time and

effort to school or to personal goals and living today's changing lifestyles, we learn to speak our own languages.

Our

Future

Days We Shared

It seems like such a short time ago we started our first year at CMHS. Seeming like such unimportant characters at the time, the years flew by and today we are the Class of '75. The years have been filled with experiences both rewarding and disappointing, now they are just memories, thoughts away.

Do you remember when you came to school with the flu because you didn't know how to use an absence excuse? Sweating out the trials and tribulations of lunch period? Asking yourself, Where would I sit? Who would I sit with? And, would my lunch table still be there tomorrow? Carrying your eight books around with you the whole day for fear your locker wouldn't open again? Getting lost in the hallways while in frantic search of the fourth floor? Rushing between classes because you were told by knowledgeable Seniors that detention was two hours long?

Do the names Retard, Bird, Tuffy, Kazoo, Feathers, DeeJay, and Turbo sound familiar? Just a few of the many names we acquired throughout the years.

These memories and many more will stay with us throughout the years to come. They are truly to be cherished, for no matter how ridiculous they seem now, they were very true and real then. They are dreams of yesterday and our dreams of today will become tomorrow's reality.

These Are Our Last Moments Together

To the graduating class of 1975
I extend my sincere congratulations
for your achievements thus far and
best wishes for continued success
in your future plans.

As your sponsor, it has been an
enjoyable and memorable experi-
ence to associate with you, par-
ticipate in your class activities
and enjoy your friendship.

May God bless each of you with
much success.

Sincerely
Thomas D. Cebula

As always, the traditional bonfire held before the Struthers football game is one of the highlights of the season. This year the 1974-75 bonfire was a great success.

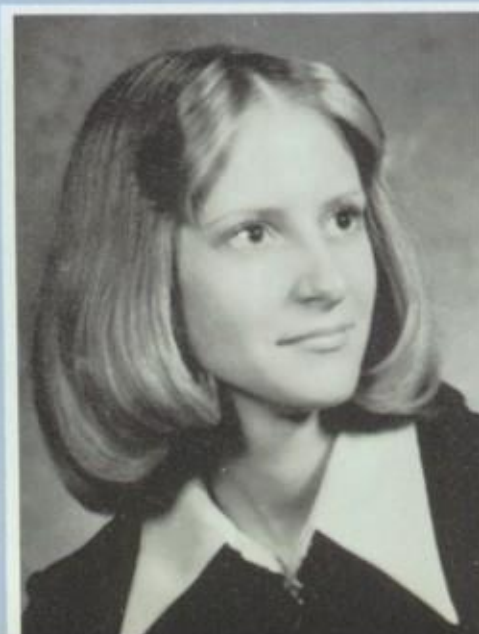

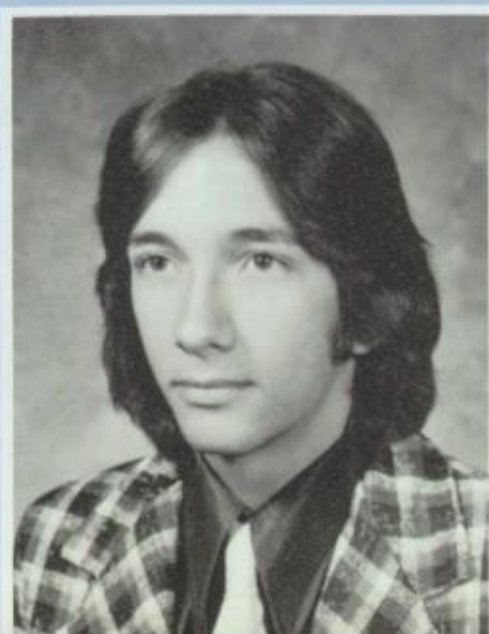

Wood was collected weeks before and amidst the fire and smoke enthusiastic cheerleaders brought out the spirit among the students.

Afterwards, a 50's style dance was held in the cafeteria. It was a comical sight to see bobbysocks and greasers that night at the bonfire.

Another bonfire will be held next year, however, for the senior class of "75" this was the last one we will share together.

Special Dedication

We the Senior Class of 1975, wish to pay this final tribute to our lost friend and classmate, John Busko. There is still a certain emptiness in the hearts of us who knew him so well. Our sympathy rests with those whose loss was the greatest--the people who never knew him.

May we sincerely express our deepest sympathy to John Busko's parents, relatives, and close friends.

Days to Remember

Features are events to remember whether you are a Senior, Junior, Sophomore, or Freshman. They range from Homecoming to the Junior-Senior Prom. All the weeks of preparation for these special events are climaxed by one exciting evening. This year's featured events, Homecoming, the Senior Spaghetti Dinner, and the Prom will always have a special place in the memories of Campbell Memorial students.

"Stairway to Heaven" Theme of

"STAIRWAY TO HEAVEN"

"Stairway to Heaven", a song by recording stars Led Zeppelin, but for many of us, the theme of a long awaited night. The Junior-Senior Prom was a night that will live in our thoughts forever.

People

The scene for the Prom was the Lee Run Country Club. The couples were served a delicious buffet dinner and had their choice of eating in the decorated dining room or out on the terrace. The dancing area was decorated to resemble a Roman palace, with columns and marble fountains. The ushers and usherettes wore togas, sandals and laurel crowns. The musical entertainment was furnished by Levi Snow.

To everyone's happy surprise Joe Severenski and Kathy Miconi were crowned Prom King and Queen. Members of the court included Terry Ramos, Maria Pappas, Sharon Raines, Susan Ball, Craig DiRienzo, Randy Mingo, Dean Lysowski and Creston Lovelace.

Karen Cramer Reigns as 1974

In a ceremony preceding the Campbell-Boardman Clash on Oct. 13, Karen Cramer was crowned 1974 Campbell Memorial Homecoming Queen. Others vying for the honor were: Delores McDavid, Anna Ginnis, Sally Shirilla, and Mary Tsangaris.

Queen Annie Galletta and King Dave Hudak.

The Annual Senior Spaghetti Dinner was held in our cafeteria on January 16, 1975. There was something unique about this Senior Dinner though. This was a time for our class, the Class of 1975.

The evening got off to a good start with the traditional spaghetti dinner. Dave Hudak and Ann Galletta were crowned class King and Queen. to highlight the night. Their court included Opie Mastrovaselis, Mary Tsangaris, Karol Sertich, Diane Gayetsky, Dwayne VanCobb, Tony Rossodivita, Fred Marsicola, and Anthony Scarfo. The evening concluded with a dance following the coronation.

Spaghetti Dinner Court included L-R--D. Gayetsky, K. Sertich, M. Tsangaris, O. Mastrovaselis, Queen Annie, King Dave, D. VanCobb, T. Rossidivita, F. Marsicola, and T. Scarfo.

New Tradition

Friends saying "Hi!" to one another.

The students at Campbell Memorial wished to celebrate St. Valentine's Day officially for the first time. The Senior Class planned to have a dance and have a school "Sweetheart" picked. First of all the guys of the student body voted for fifteen girls who they wanted for a Sweetheart. During the week or two before the dance the student body and faculty began to drop change or dollars into boxes which the girls decorated individually. The purpose of this was to pick a finalist from each grade.

The 1975 Sweetheart Court: M. Duda, J. Lemmo, M. Hudak, B. Sferra, M. Mraz, G. Mastrovaselis, Queen Opie, and D. Pausak.

These girls all had a close chance of winning for money was still being dropped into their "cans" at the dance. Finally the time came to announce the queen and it was Opie Mastrovaselis. The students at Campbell Memorial could not be prouder to have made such a wonderful choice. The dance turned out to be a beautiful and profitable night for all.

Days of Victory and Defeat

Although our days have been more of defeat than of victory, many people fail to realize the real importance of a high school Athletic Program. To them sports is just a traditional part of your high school days. Little do they know that the young people, both men and women, who participate in their school's Athletic Program prosper in many ways. Not only do they learn good sportsmanship and self-discipline, but they also gain a feeling of dependence and responsibility to their team.

Whether it's "Touchdown," "Free-throw," "Tennis . . . Anyone?" "Fore," "Relay" or "Checkmate," all are familiar sounds of "Our Day of Victory and Defeat."

Red Devils

MEMORIAL BASEBALL 1974
The baseball team in a rebuilding year came of age very quickly and posted a 16-3 RECORD OVERALL and captured the S.V.C. championship in the process with an 8-1 RECORD.

ROW 1--G. Gulu, J. Clement, R. Figueroa, T. Martinko, R. Zuzik, R. Carier. ROW 2--D. Pauscak, B. Romeo, G. Despetorich, L. Ortenzio, J. Lahovich, D. Konik, F. Ramos.

ROW 3--F. Dell 'Arco, C. Facciobene, C. DiRienzo, R. Maceyko, J. Nimczura, R. Novak, W. Schreiber, W. Rivera, D. Konik.

Capture Steel Valley Crown in '74

Jerry checks the statistics closely.

Fred Ramos put one over the plate.

COACHES--M. Kish and W. Barllare.

Slugging one out gave Fred a double.

Ricky makes a tight squeeze to first.

Composed primarily of sophomores and juniors, the 1975 team should be among Memorial's finest ever. Returning veterans include All Steel Valley selections Tom Martinko, the leading hitter in the S.V.C. last year at .491, Fred Ramos, our leading pitcher with an .086 E.R.A., Fred Dell' Arco a .389 hitter with 5-2 pitching record, and Rick Zuzik, who hit .455 and was 1974's most valuable player.

Tom Martinko catches a grounder and tries to supply the third out.

Players Make the Team Successful

"STRIKE" was a common call at the Campbell games.

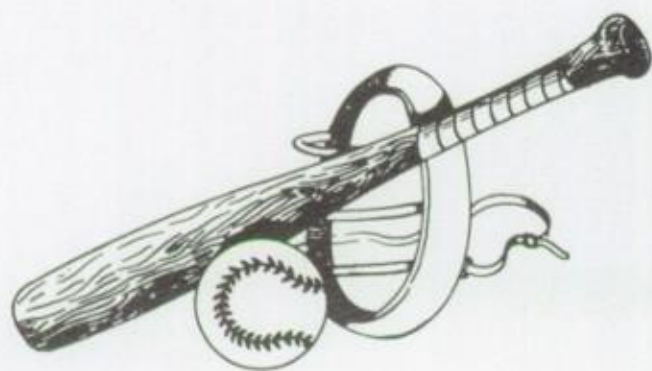

A good warm-up was always a practice for Fred Ramos.

Catcher for the Red Devils was Jody Lahovich.

Other standouts who contributed heavily to the "Devil" championship were Jody Lahovich, standout Catcher, Rick Figueroa, Centerfielder who supplies speed on the bases, Will Rivera—who swung a solid bat the last half of the season, Dave Konik, Shortstop who batted .367, Dave Paluscak, .300 plus hitter who handles Third base. Counted on for additional help this season will be Lance Ortenzio, Randy Maceyko, George Despetorich, Jim Niemczura, Ron Carrier, Bruno Romeo.

Strength, Agility
Speed and
Intelligence Spark
the Devils

Fred Dell'Arco held a 5-2 pitching record throughout the season.

Rick Zuzik was 1974's most valuable player.

The retiring of sides brings everyone back to the bench.

"Coach Barillare and myself feel that with the overall team intelligence and experience acquired last season, that if our ball club approaches the 1975 season in the proper mental frame of mind and sincere total committment, the Red Devils will be the area team to beat." The Red Devils will be gunning for their fifth consecutive S.V.C. baseball championship."
Mr. Kish

Speed and agility are not the only qualities necessary to participate in Track. The traditional phrase used is "One set of legs, One set of wings and dedication to your team." All this means is physical attributes are important but competing and giving 100% all the time is just as important. Whether you're tall or short, fat or skinny, as fast as lightning or as slow as a snail there will be a place for you in sports as long as you dedicate yourself to continuously hard practice.

Here's one for the records.

With a little effort, Mel Land lets the shotput fly.

A smile appears as Russ Glover eyes the finish-line.

Sparked by Coach Dennis Katsaras' enthusiasm, the tracksters ran and jumped their way to victory.

Under the watchful supervision of Head Coach Dennis Katsaras and his assistant Pete Mastrovaselis, the 1974 track team compiled a convincing 5 and 1 record and placed very well in the District and Invitational Meets. The Key to the teams success, besides the fine coaching of Mr. Katsaras, is credited to many outstanding individuals. Among them are Mel Land, Dave Hargett, Bill Petko and Tom Burich. Coach Katsaras always takes pride in his team and makes sure that Memorial has the best representation possible against other teams. The Reveler Staff would like to wish Coach Katsaras and his team continued success.

Watch the shot fly as Melvin lets it go.

The newest addition to our athletic program here at Campbell is wrestling. Under the supervision of Mr. Steve Mistovich a wrestling team finally got organized this past year. Up to now this sport was just a much talked-about program. No one took an active interest in the picture. Getting our guys interested in this not so popular sport was an accomplishment in itself. Finally a dedicated group of guys were ready to meet the challenge.

This first year was merely a trial period. Only four matches were played. But most important the students were exposed to the new sport in the hopes of spurring the interests of new prospects for next year's team.

Precise body positioning is vital.

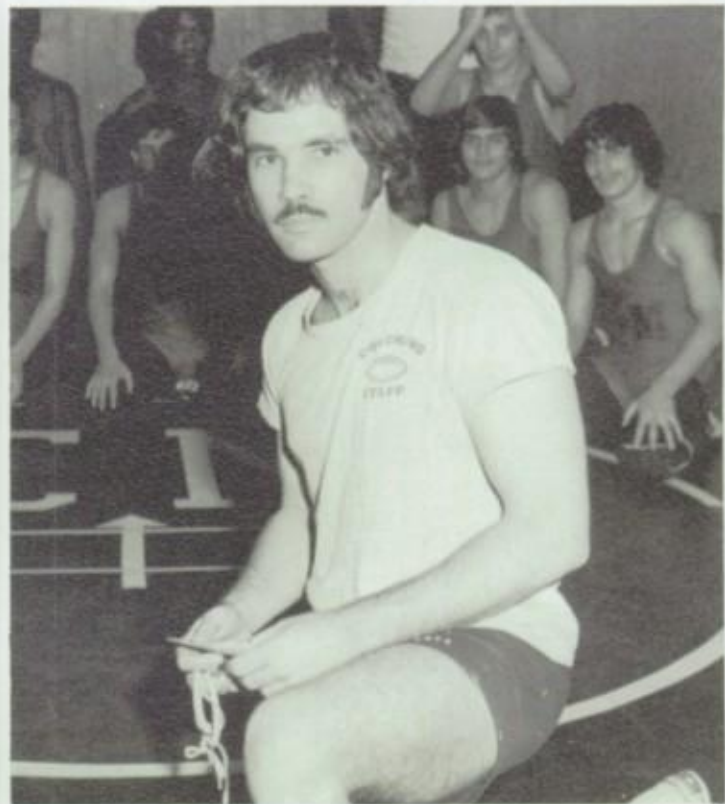

And the match begins!

Timing is an important factor.

Practice makes perfect!

Helpful hints from Coach Mistovich

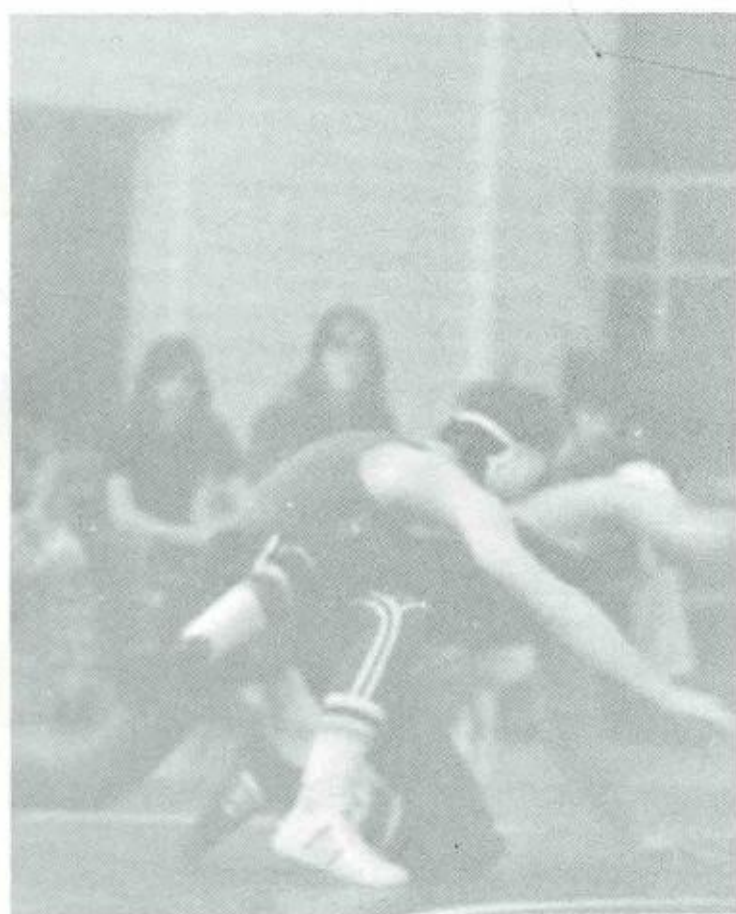

Campbell Wrestlers

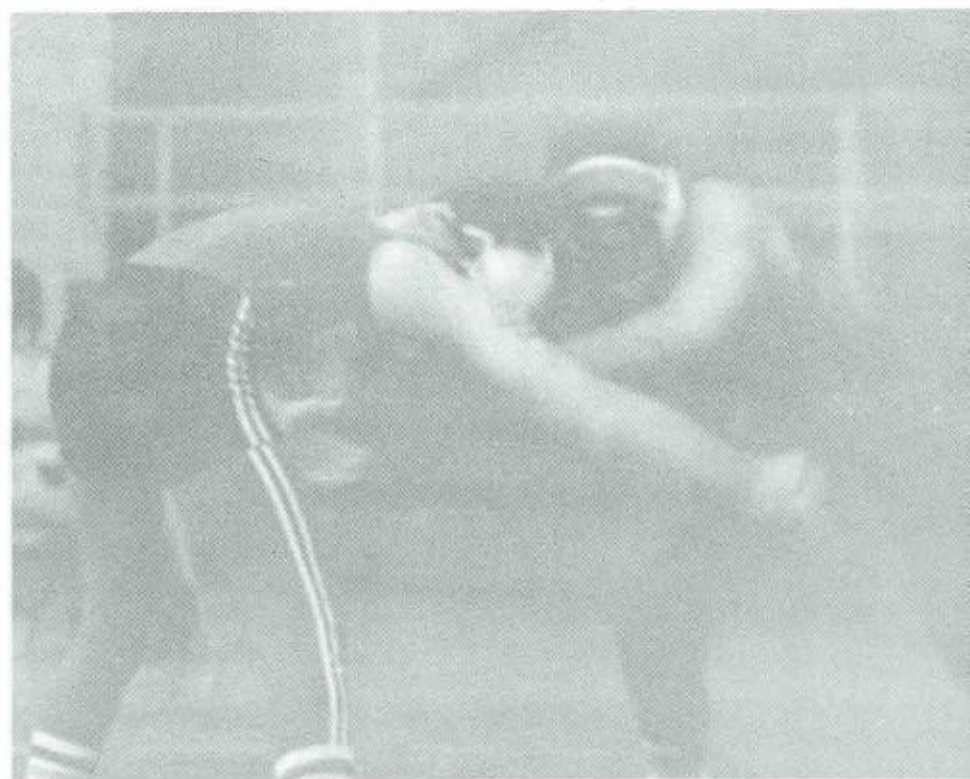

A head lock holds the opponent.

Get those muscles in shape!

An important maneuver led to some extra points.

Out here it's just you and me.

In Action Against Girard

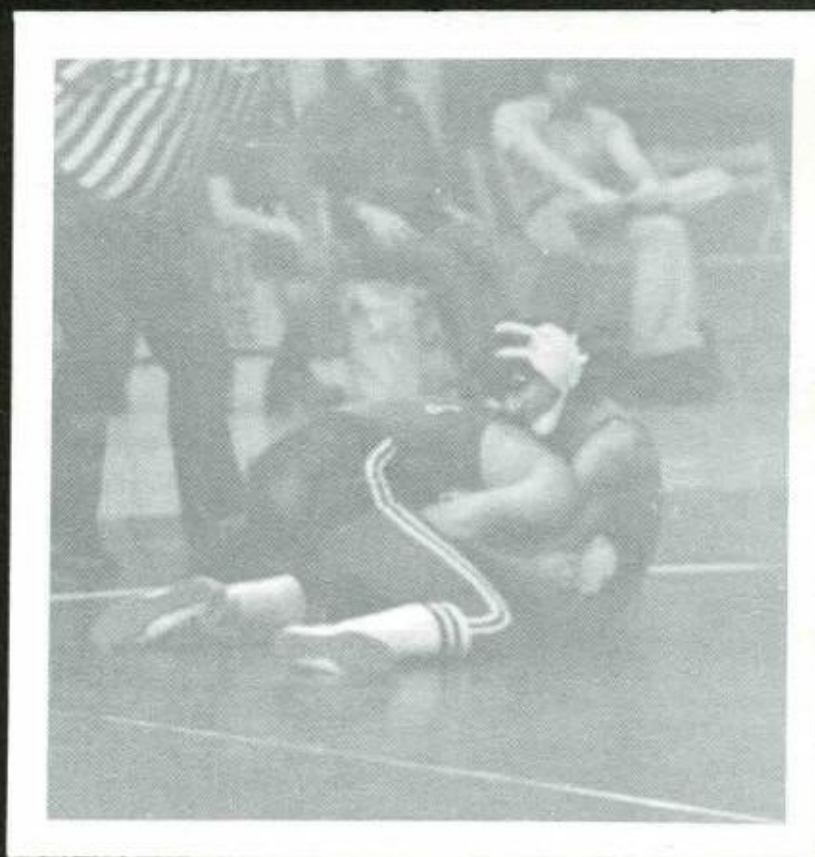

Pre-game confusion

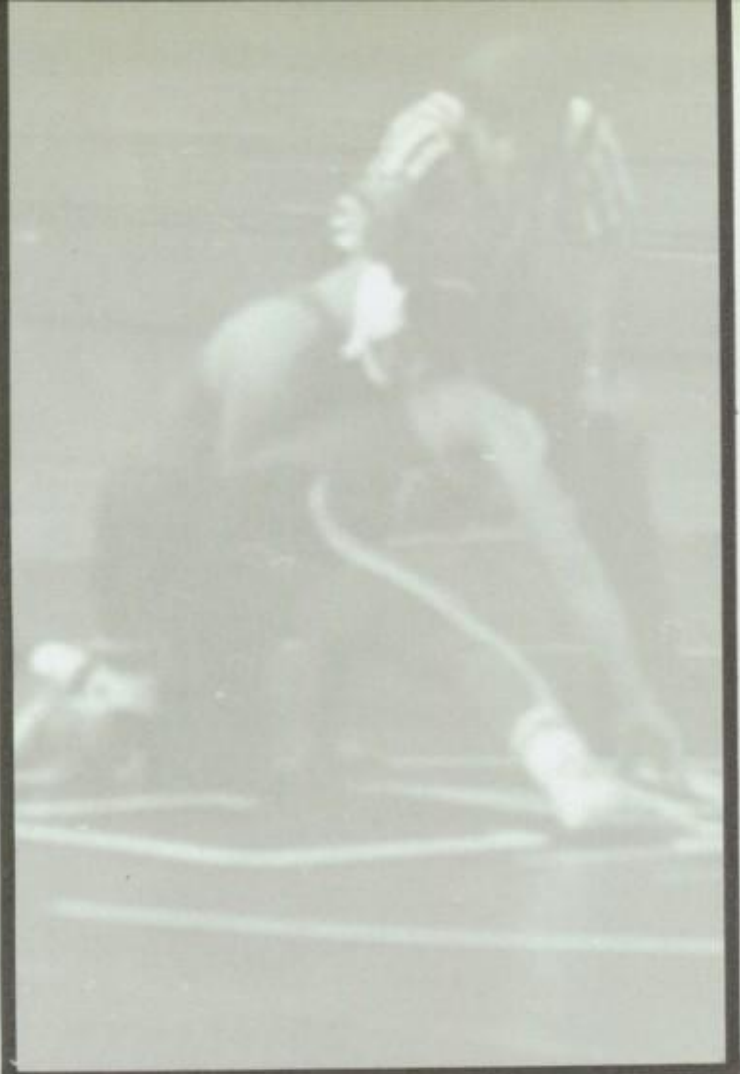

In order to participate in the sport of wrestling either as a contestant or spectator, one must understand the principles. Wrestling appears to be a "rough-n-tough" sport. It looks as though the contestants are out to brutally destroy each other. But this is not the case. Coordination agility and skill are what determine the winner of a wrestling match. It's not how brutal you are but rather how skillfully you defeat your opponent that counts.

The thrill of victory

Breaking up is hard to do!

The referee has the best seat in the house.

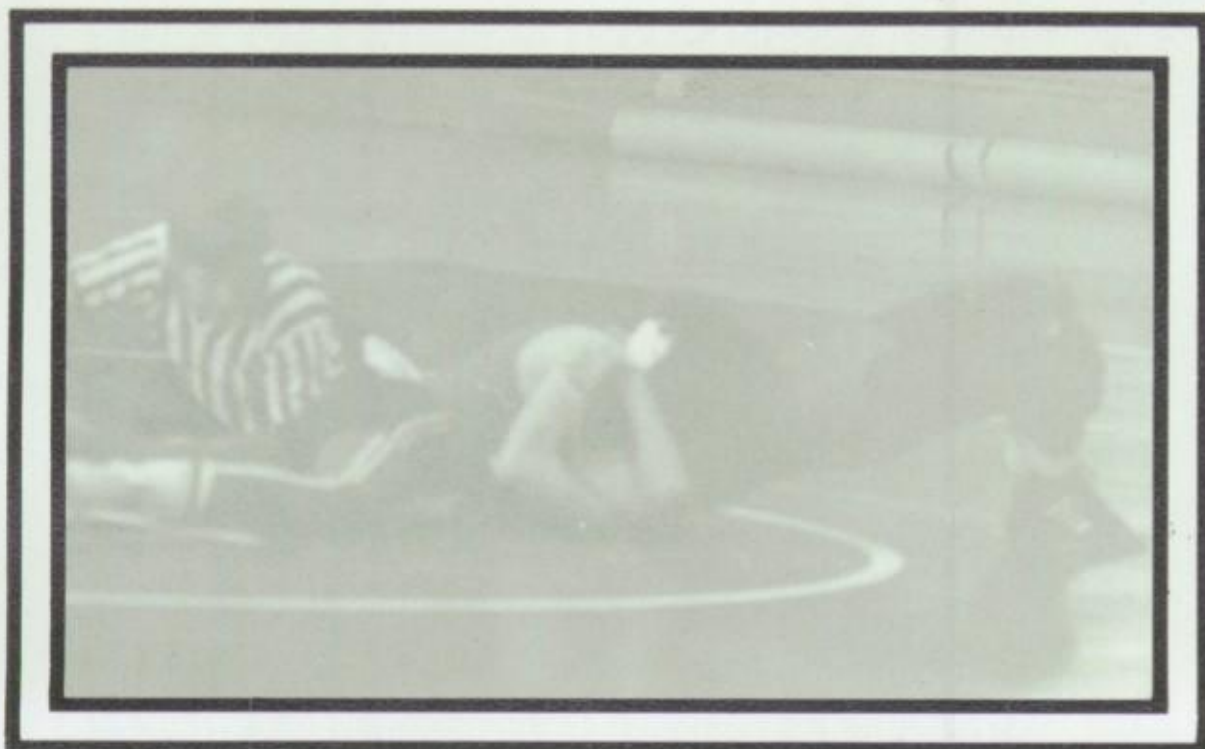

Head on contact is made.

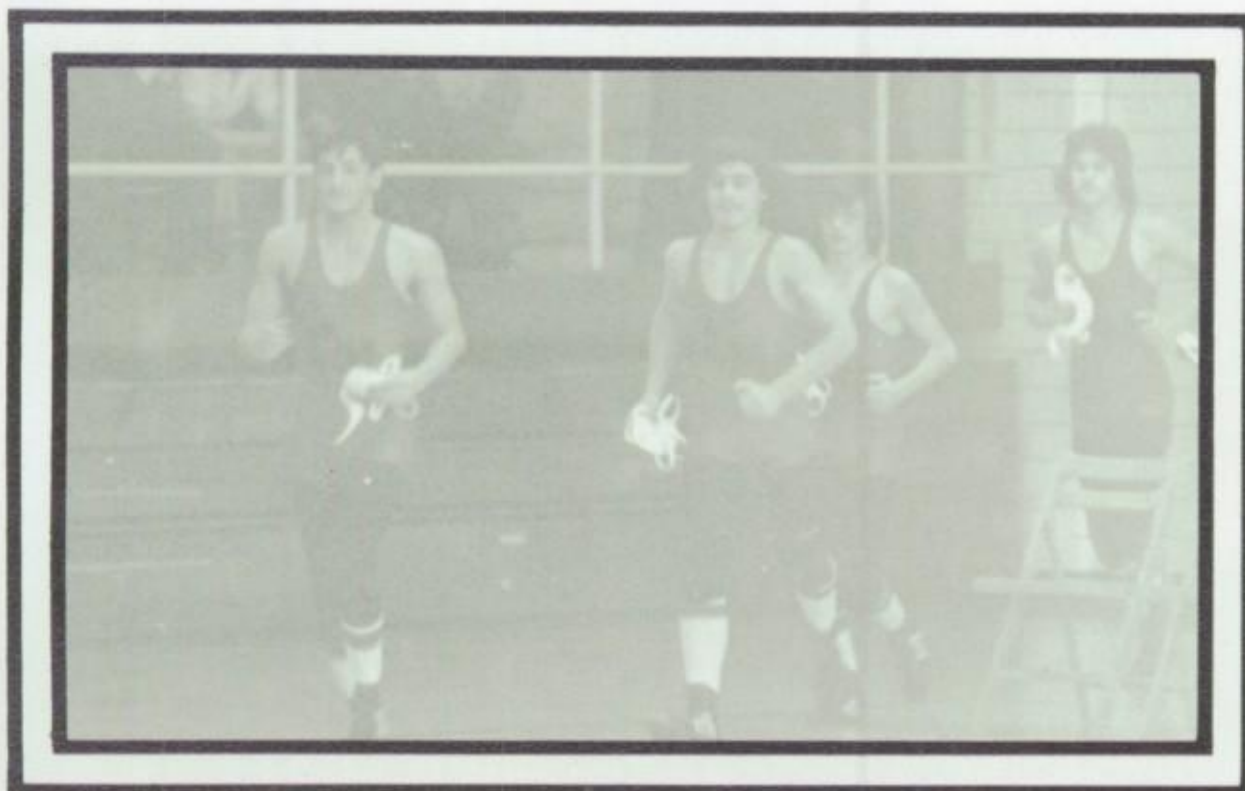

Sometimes the going gets tough.

The Red Devils Fought . . . and

When summer sessions began, new Head Coach Ed Klein and his assistants B. Frederick, A. Boggia, R. Berdis, S. Misticovich and J. DeRosa had high hopes for our 1974 Red Devil team. Although the turnout of boys was not very large, the team made up for it with the desire to win.

Right from the start, injury to key players was to lead to a frustrating season. During summer sessions our starting quarterback Ray Novak suffered a serious injury and was lost for the entire season. Luckily Fred Ramos was able to fill the vacancy.

ROW 1--M. Behun, R. Walker, C. Marbury, W. Rivera, E. Figueroa, B. Schreiber, S. Byrd, H. Rollins, R. Glover. ROW 2--G. Lemmo, A. Bevely, G. Morgan, S. Melnik, F. Dell'Arco, F. Ramos, F. Marsicola, D. Hudak, T. Volsko, J. Niemzura. ROW 3--M. Duda, P. Dubos, L. Lanzo, J. Williams, R. De-

Mart, D. Domanich, M. Hudak, T. Darkadakis, L. Thompson, G. Zornjak. ROW 4--J. Black--Manager, A. Rivalsky, P. LaRosa, J. Gore, L. Johnson, C. Waterman, K. Carney, J. Black--Manager.

After surviving the rest of summer practices with only minor injuries, and doing well in three scrimmages, the Devils were ready for action.

From the beginning to the end of the season "our guys" were always the--underdogs. Although, statistically they lost every game, people must realize that it takes a lot of guts to go out on the field with the desire to win, knowing the odds are heavily against you.

The season wasn't a complete loss, in fact there were quite a few bright spots. One of them was running back Enrique Figueroa. Until a leg injury midway through the season hampered his running, he supplied the team with the necessary speed. Other outstanding players included Linemen Mark DiRienzo and Willy Rivera, Defensive Backs Bill Schreiber and Russ Glover and Center Dave Hudak just to name a few. If next years' turnout for the team is half-way decent and the attitude is good, the 1975 Red Devils will be on top!

Campbell Five Keep Spirit Alive!

In Campbell's history of basketball there have been many great players and many great teams. Greatness does not necessarily mean winning, but rather it is the opinion of the people around you. This is the greatness that was shown in Campbell's past basketball season. Despite a record of three wins and fifteen loses "our guys" showed pride and determination both on and off the court. Although we did not take Steel Valley, we ranked number one in various statistics that make a team great.

Outstanding in many categories was 6'3" senior Dwayne Van Cobb. Among his great achievements such as top rebounder and second leading scorer in the Steel Valley, Dwayne was also chosen "Athlete of the Month" by U.S. Steel. Other outstanding personnel on the team included seniors Enrique Figueroa, Tom Martinko, Ron Walker and Rick Zuzik. Among the juniors helping out were Dave Palusak, Rudy Vuksanovich, Carl Svarjerko, Stanley Tofil, Carl Stores, Mike Rogers and sophomore Henry Land. These guys showed greatness in not only their outstanding abilities but also in their admiration for the game.

It's about to begin!!

In observing him, one can see, he greatly respects the game and teaches his men to do the same. "According to their god-given ability these men have played better than any other team I have coached in the past fifteen years" says Coach Kuzma with great admiration for his team. The Reveler Staff along with many others have to agree with him.

In the past two years, the field of competitive scholastic sports for girls has been considerable broadened. Campbell Memorial now sponsors both a girl's track and basketball team. The teams compete against a variety of teams representing the area schools. Although the Campbell Devillets play a tough Steel Valley Schedule, their coach, Miss Priscilla Sirilla, is optimistic of their future record. Many girls have become involved because it offers them a chance to build and tone, themselves meet new people and learn what good sportmanship is all about.

Days We Got Involved

Campbell Memorial High School students have many various activities open to them. These clubs appeal to all, for they involve a large assortment of interests. For those who wish to prepare themselves for their future careers such as teaching and nursing—Future Teachers of America and Future Nurses of America are offered. For those who are interested in a career in journalism, Reveler Staff and Memo staff is available to them. As for the students who are dramatically inclined we offer Red and Black and the Speech Club. Also provided for our students are community projects. Available to these people are the Key Club and Student Council. The Spanish Club, French Club, Chemistry Club, National Honor Society, and Math Club are those organizations created for those who are scholastically inclined in a specified area. And then there are those clubs which are established to provide entertainment and memories in the years to come—We shall long remember the majorettes, cheerleaders, sports, Tri-Hi-Y, Hi-Y and Chess Club.

The officers and the sponsors of these clubs should be proud for they have truly accomplished far more than they could ever imagine.

French Club Visits Quebec

On April 10, 11, 12, under the supervision of Miss Katula, Mr. and Mrs. De Lucia, Mr. and Mrs. Cebula and Miss Galleta, the French Club had the opportunity to visit Quebec, Montreal. Thirty-five members attended. It took hard work and planning but indeed a success.

VARSITY CHEERLEADERS--ROW 1--D. Tabus. ROW 2--A. Johnson. ROW 3--S. Balas, J. Calipare, K. Kennedy, R. Deltorio, A. Sferra.

The tense moments before an assembly, the nervous stomachs before a game, losing their voice the day after a victory game, pulling a muscle, and yes, even crying when the other team makes a touch down, these are only a few things that make a successful cheerleader. Along with all their qualities a cheerleader must have pride in their team and school. Campbell Memorial Cheerleaders certainly do and spread it throughout the entire student body.

It takes skill and determination to be a great chess player. Our school has one of the best chess teams because they have acquired these habits. Campbell Memorial is lucky to have such a fine team coached by Mr. DeLucia.

Math Club Organizes Yearly Skating Party

Eligible Math Club members are students with a B or better average in Math or has taken Calculus. Old members vote on the admission of new members and as Mr. DeLucia their sponsor has said "We haven't rejected anyone yet." This year as in the past, the Math Club plans to hold it's annual skating party, the theme being "Holliday on Ice".

Once again, the Campbell Memorial Marching Band has produced music for everyone's ears while stepping high across the football field and at other area functions. How can such a small band sound so good? This is probably due to the fact that the band, accompanied by their director, Mr. Haring, went on a week long trip to Thiel College where a band workshop was held. During this time, and many times afterward, the band has practiced hard to produce the music they play so well.

Hard Work and Leadership Help

The Reveler Staff is the group of seniors that have worked so diligently to make our year-book. These young people were given such tasks as photography, writing copy, doing layouts, typing, and financial management. All of which was done both skillfully and successfully. We sincerely hope we have pleased you, the reader.

The Best Teacher

Medical Assistants learn to be very thorough.

Being at the Vocational School gave many Campbell students a chance to learn a skillful trade and meet many students from other schools. When graduated, they will be ready to take on jobs while others are just starting college.

Although the students not attend classes in the high school building they are still an important part of it. While participating in Memorial's curriculum, the students also take part in the activities at the Vocational School.

Campbell Carpenters can build just about anything.

JUNIOR ACHIEVEMENT

Junior Achievement is an organization to help high school students, usually juniors and seniors, to understand how businesses are run. Every Monday, Tuesday or Wednesday students attend their company meetings at the Junior Achievement Center, 2615 Market Street. Here, sponsored by major corporations, they establish their own little business. Election of officers and sale of stock begins the process. Products are then produced and sold by each company member so that as the end of the J.A. year rolls around the company is operating in the black. This means paying all their bills, their stockholders back with a small percent of interest and wages and salaries. (Students do get paid by their companies.)

The Youngstown Area boasts a total of thirty-four companies sponsored by businesses ranging from U.S. Steel and I.B.M. to Penny's and Strouss'.

On May 15, 1975 the Future Unlimited Banquet was held where awards were given to outstanding members of J.A.

Campbell Memorial can proudly state four NAJAC members, which is the National Conference held at Indiana University, Bloomington, Indiana, and many other award winners.

Days We Learned

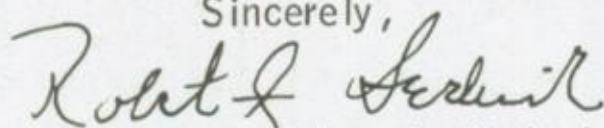

Like many institutions of knowledge, Memorial offers a wide range of subjects in its' curriculum. We've got a complete arsenal of teachers that are just waiting to cater to your least little whims. Yes, their educational backgrounds combined probably total a good two or three years of schooling. (just kidding) But really, being the student is the easy part and all you've got to do is name your poison.

Administrators Strive for

Congratulations on your graduation from Memorial High School. You have probably heard from many adults that you now have reached a high plateau which will be a turning point in your life. This is true. Whether you pursue a higher education, enter the military service, get married or enter the job field you will need to put to use the education you now have. If you worked hard in high school to make the most of your education you will be better prepared than those who did not.

Sincerely,

Robert A. Hedrick

Improved School System

JOHN R. HESS--Principal

Our principal, John R. Hess, was born on August 29, 1925. He attended Washington Elementary and Chaney High School, graduating in 1944. That same year he went into the Army. Upon discharge in 1946, he was a Second Lieutenant. Mr. Hess then attended Kent State Univ. and received a Bachelor of Science degree. In 1956-61 he taught English and Math at Springfield Local. At Kinsman, he taught bookkeeping for one year. From 1962-66 Mr. Hess was the guidance director at Western Reserve, later becoming the high school principal until 1973 when he came to Memorial.

RONALD D. SCHUSTER--Vice-Principal

Ronald D. Schuster, our vice-principal was born on March 2, 1947. He attended St. John's elementary and Memorial high school. After graduation in June 1965, Mr. Schuster attended Youngstown State Univ. earning a BA in education. His graduate degree, MS and BS in education. His graduate degree, MS in education, was obtained from Westminster. He is presently working toward a doctorate degree in Administration at Kent State Univ. He taught English at South High in 1968-69. In 1969 he came to Memorial teaching World and American History, In 1973 he became our vice-principal.

If you should ever contemplate a little insubordination you'll probably meet the distinguished JOHN HESS or the equally distinguished RONALD SCHUSTER.

We hope you don't have to burden them with your problems so stay straight and don't smoke in the lavs.

Teaching, Preaching and Problems:

A Typical School Day

If your interests sway toward the sciences, grab your microscope and hold onto your bunsen burner. The chemistry whiz in this fine institution of knowledge is the one and only JOE DeROSA. If your eyes twinkle at the smell of formaldehyde and you just can't get enough dissection, then you'll be tickled green with the wild, rany antics of TOM CEBULA, the master of biological procedures and techniques, not to mention sponsor of the Class of '75! TONY PACELLA conquered the physics book, destroyed the meter stick and led us onto a path of scientific righteousness.

For all the gay caballeros and French poodles we present a cast of three. GLORIA KATULA being the French fanatic. Yes, we are graced with the presence of two senioritas so if you'd like to fight a bull or speak to a Mexican bandi to maybe you should speak with STANNA KUCAB or THERESA MILLER.

Our minds could not grasp the idea of being without our fine English department. Mere words cannot express the gratitude we owe to MARGE FORD. Her essays are a source of inspiration and humiliation for all

Days to Come

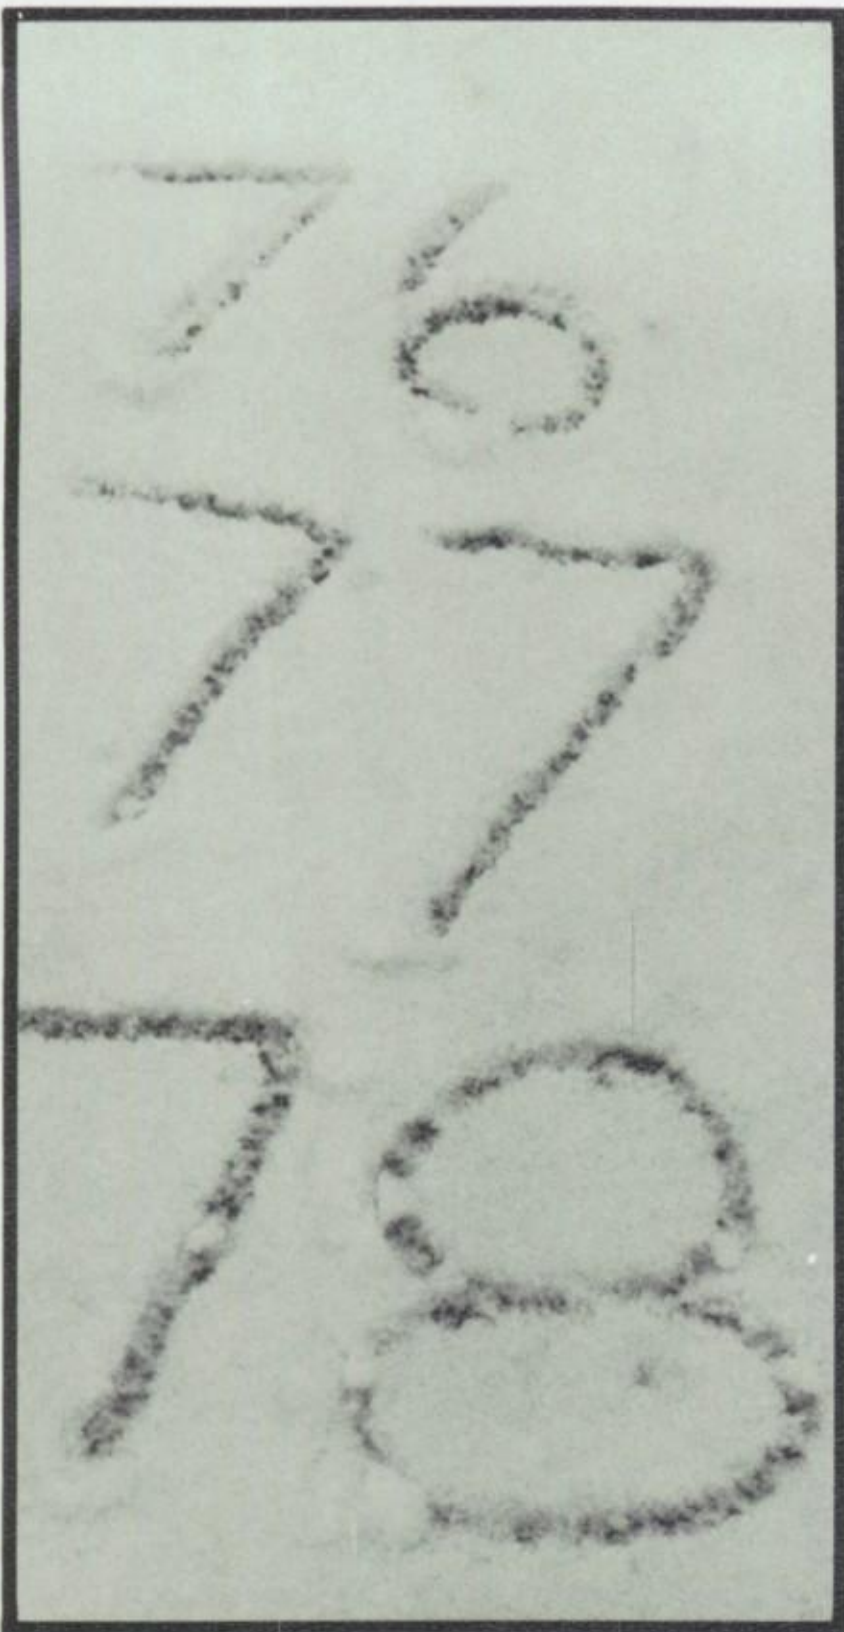

Now that the seniors are graduating it is up to the underclassmen to carry on the traditions.

Juniors: The privileges and activities which you watched the seniors enjoy, now belong to you. It's up to you to make the upcoming year a success. Fill up your next year with as much fun as you can, because these are the years your favorite memories will be based on.

Sophomores: You are no longer just half-way through school. Now you are on your way up. Ahead of you is the Junior-Senior Prom and other activities solely for the upper classmen.

Freshman: What joy! You're no longer going to be the baby class at school. A new class will replace you and you in turn can torment them as you were. A day will come when you will wish that you were back to where you are now, as Freshman.

Warning: To all the classes. The Senior year seems to pass by faster than any other because it's the one you wish would never end. Make the best of it!

All the years thus far have been essentially the same, with dances, candy sales and other fund raising projects. The Junior year is different. National Honor Society induction, planning the Homecoming and Junior-Senior Prom are activities which happen only once in a student's life, and only in the Junior year. The entire class working together as one makes this year unforgettable.

OFFICERS--ROW 1--Miss Martinez--Sponsor, Lori Struharik--Sec., Sandi Puskarcik--V. Pres. ROW 2--Cindy Vuksta--Treas., Michael Rogers--Pres. Missing from picture are Bobby Dolan, Karen Stipetic--Soc. Chairs.

The hard-working Sophomores had a good year as far as money raising projects are concerned.

During the holidays they sold Christmas candles determined to make a profit. They also had several car washes and sponsored one of the many dances during the Football season. All of this work was done to increase their treasury enough to get them through their Junior year and the sponsoring of the Prom.

Though this class is small in size--their hard work made up for it and with it came a very worthwhile and profitable year.

For the second year the Freshman are the youngest at Campbell Memorial. With the elimination of the eighth grade, they are the only ones left for everyone to harass.

They began their money-making projects with a car wash, and a dance, The biggest project being the sale of Mark VII all-purpose cleaner, good to shine everything from dishes to drains. Basically successful they established financial security for their up coming events.

Days of Advertisements

Where would the Reveler Staff be without advertisements? There would be no production of your yearbook for most of the finances come from here. No one really realizes how much effect they have until you are on the Staff. We greatly appreciate their help. Many people feel that the Ad pages are a WASTE; but these WASTED pages help to pay for the rest of our book.

Special Thanks to the

**NATIONAL
HONOR
SOCIETY**

for Their Contribution.
